

The background is a colorful, abstract collage. On the left, there's a rainbow. In the center, there's a stylized eye with thick black eyelashes. Below that, there's a purple face with a slight smile. The overall style is reminiscent of pop art or graphic design.

**Bias** isn't just history; it's a threat to our future.

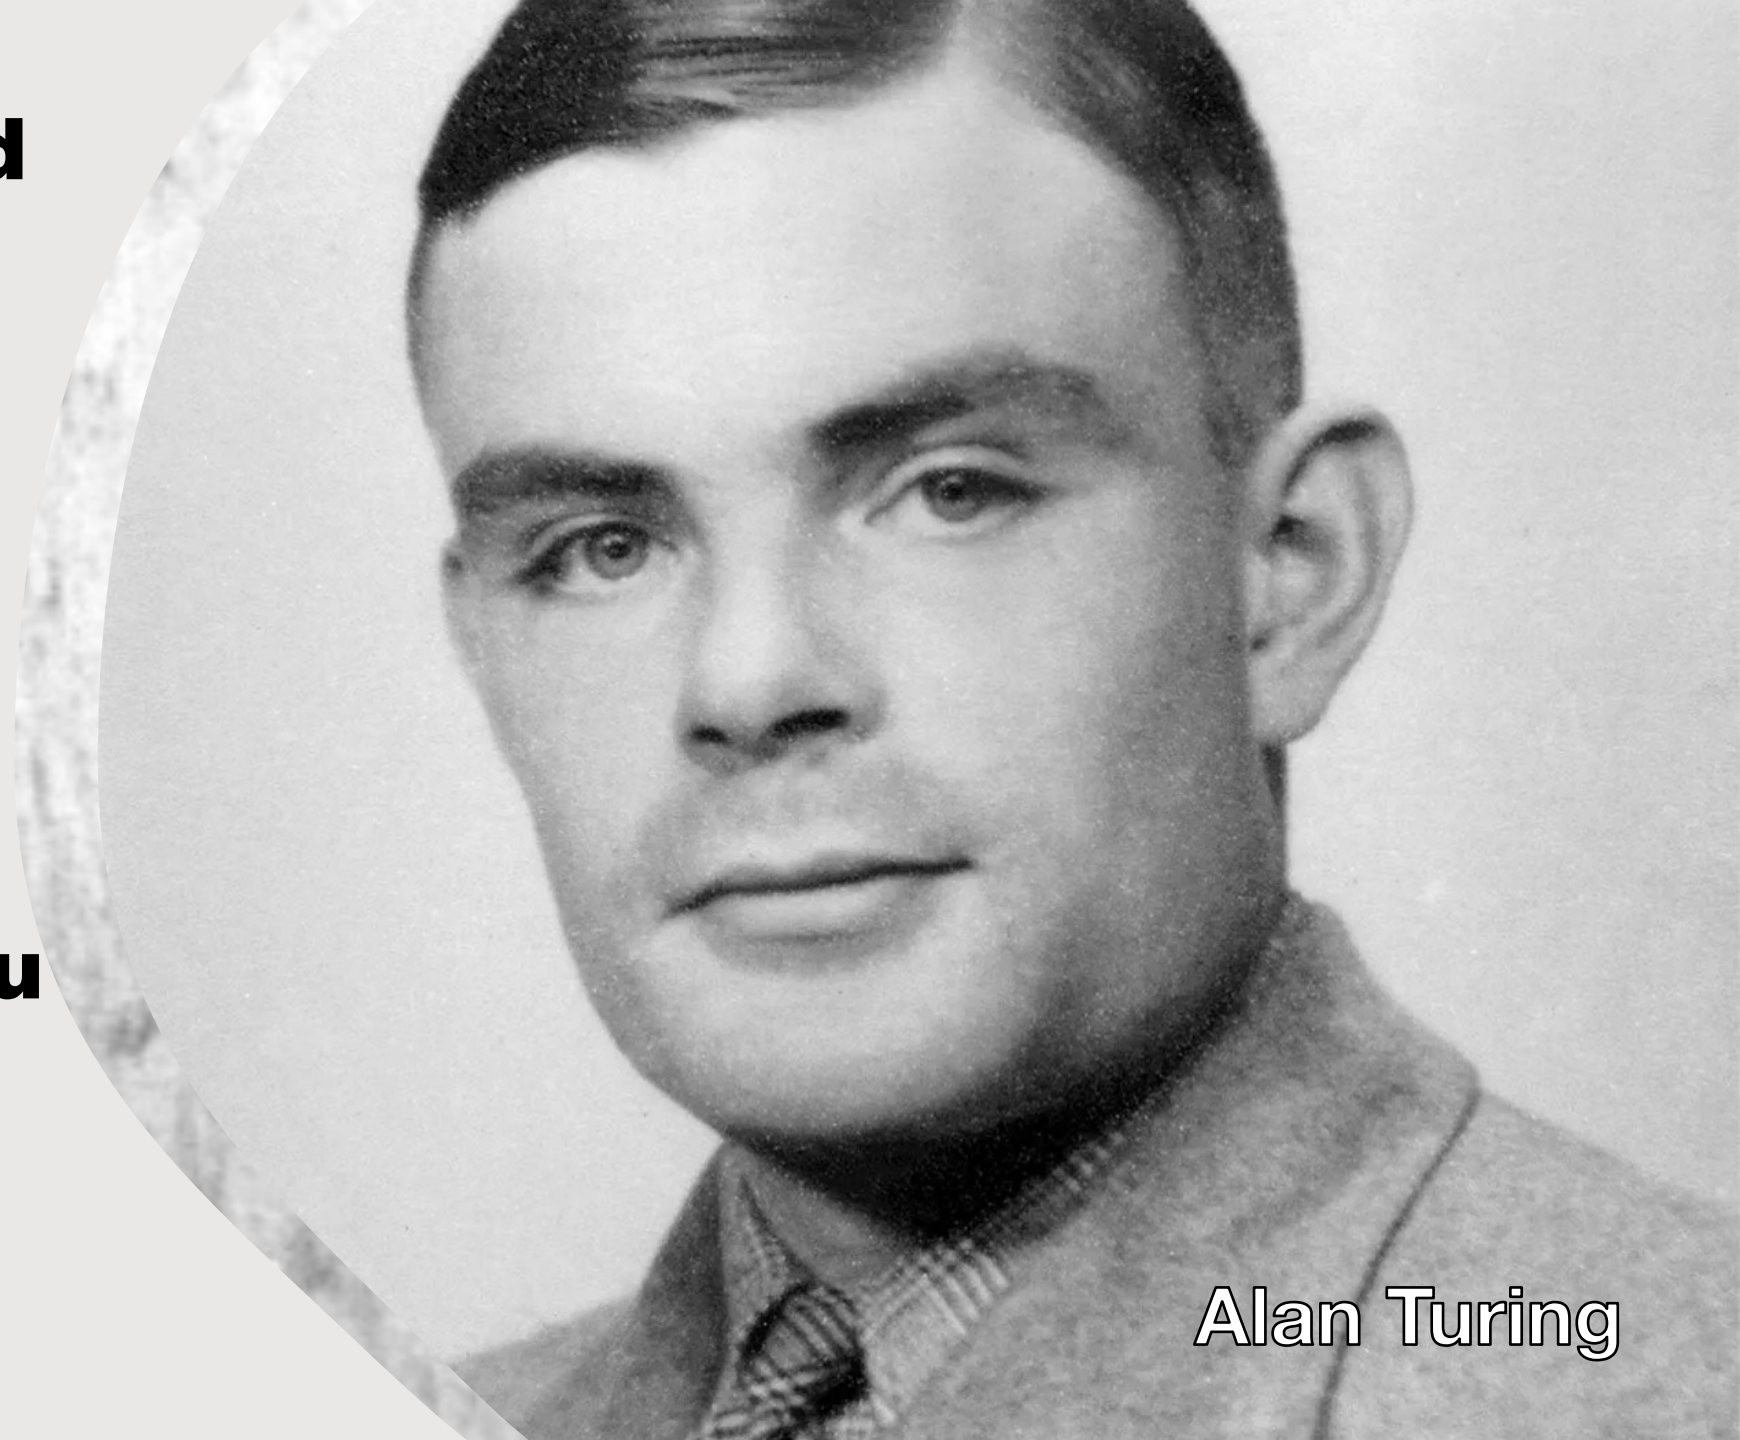

**DANGER?**

**She was **black**  
and fought for  
civil rights;  
without her, you  
wouldn't have  
advancements in  
racial equality.**

**Rosa Parks**

**He was gay, and his work in computer science helped lay the foundation for modern technology, without him, you wouldn't be reading this on your phone.**

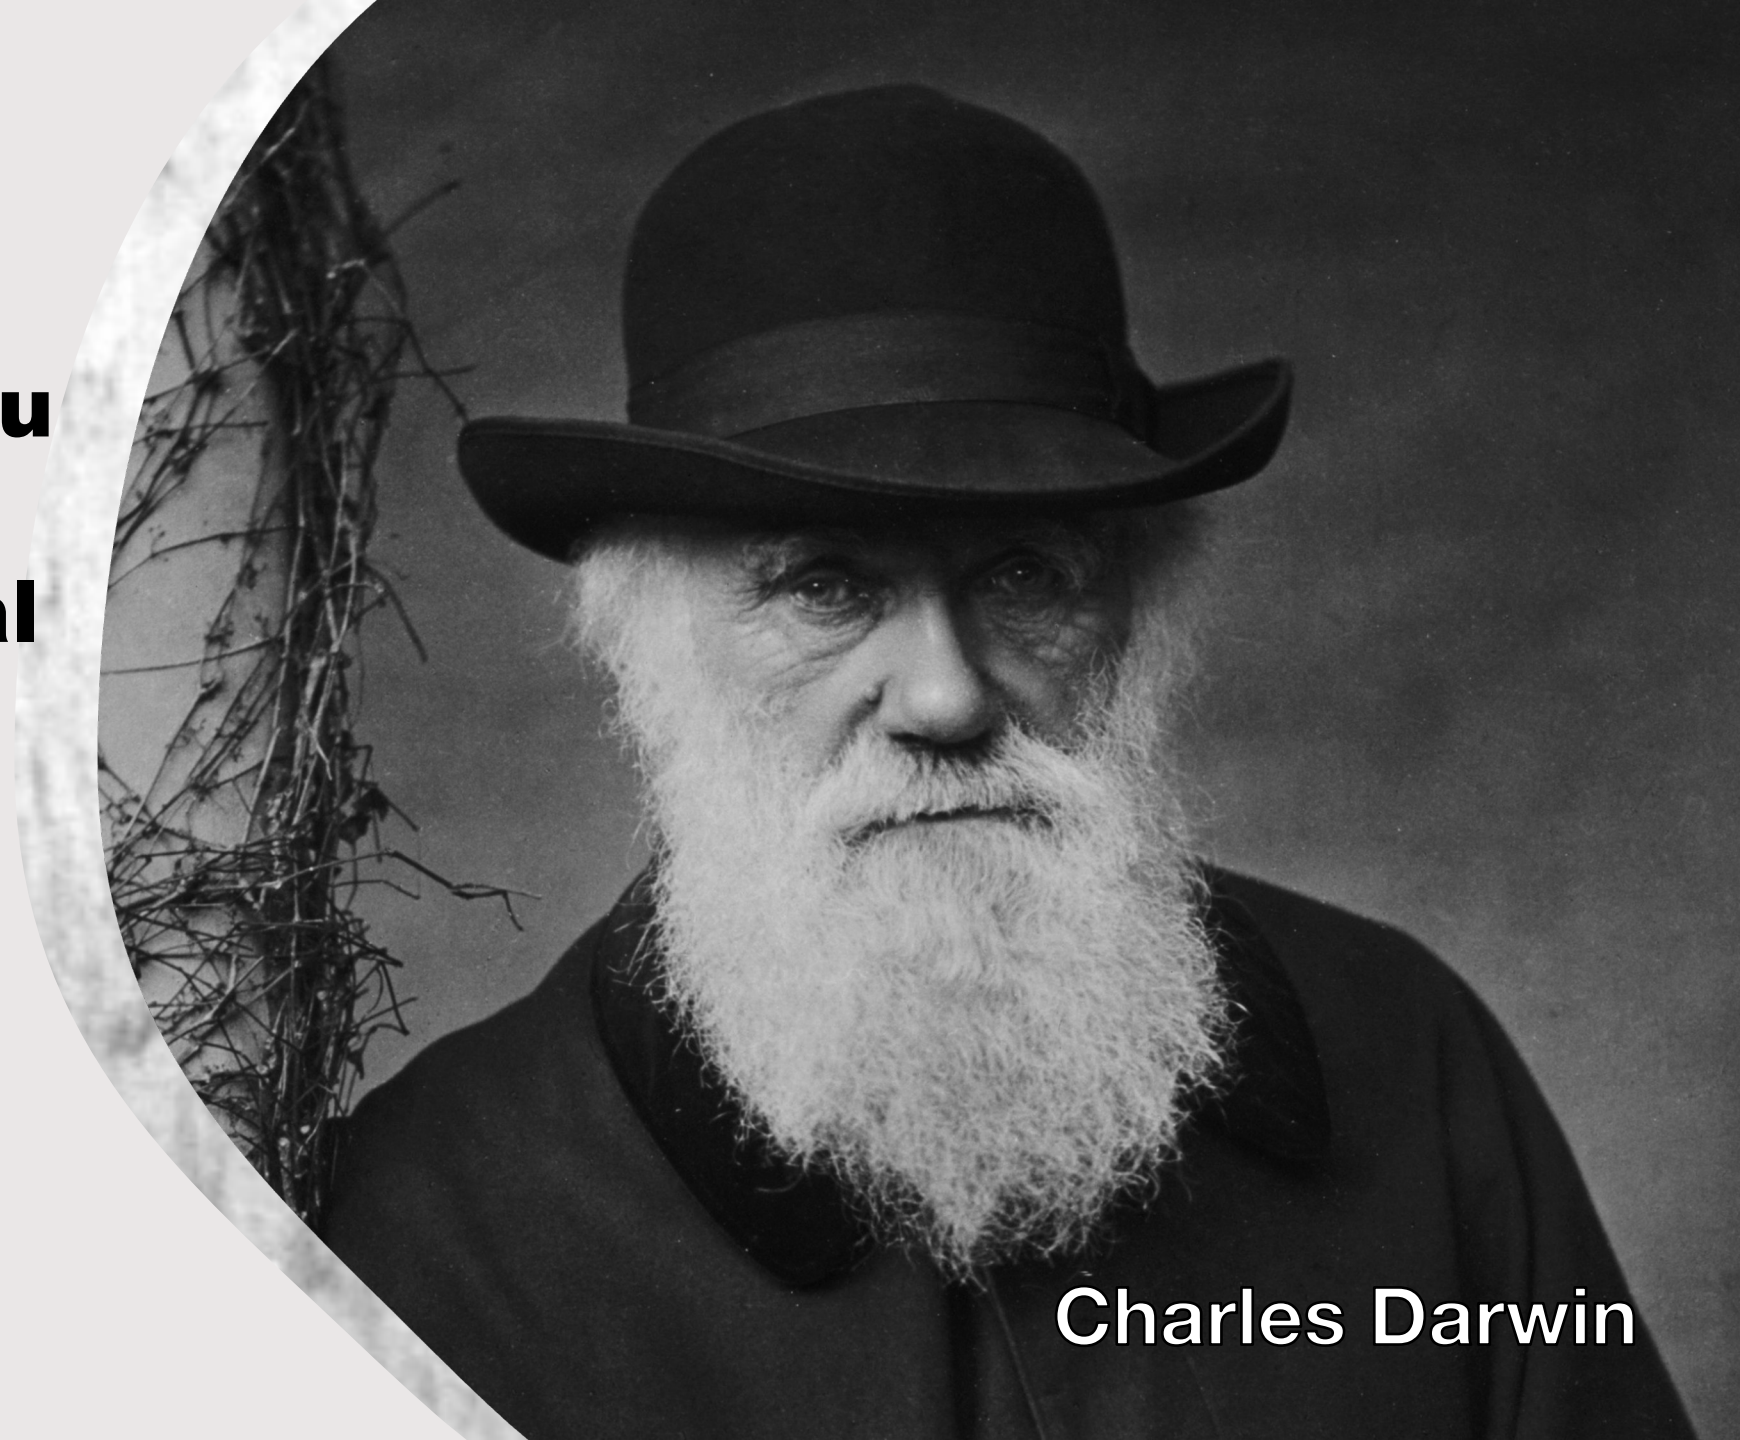

Alan Turing

**They were  
women  
suffragettes  
and advocated  
for women's  
right to vote,  
without them  
you wouldn't  
have known  
gender  
equality.**

Susan B. Anthony and  
Elizabeth Cady Stanton

**He was an  
agnostic;  
without him, you  
wouldn't have  
the foundational  
framework for  
understanding  
the process of  
evolution by  
natural  
selection.**

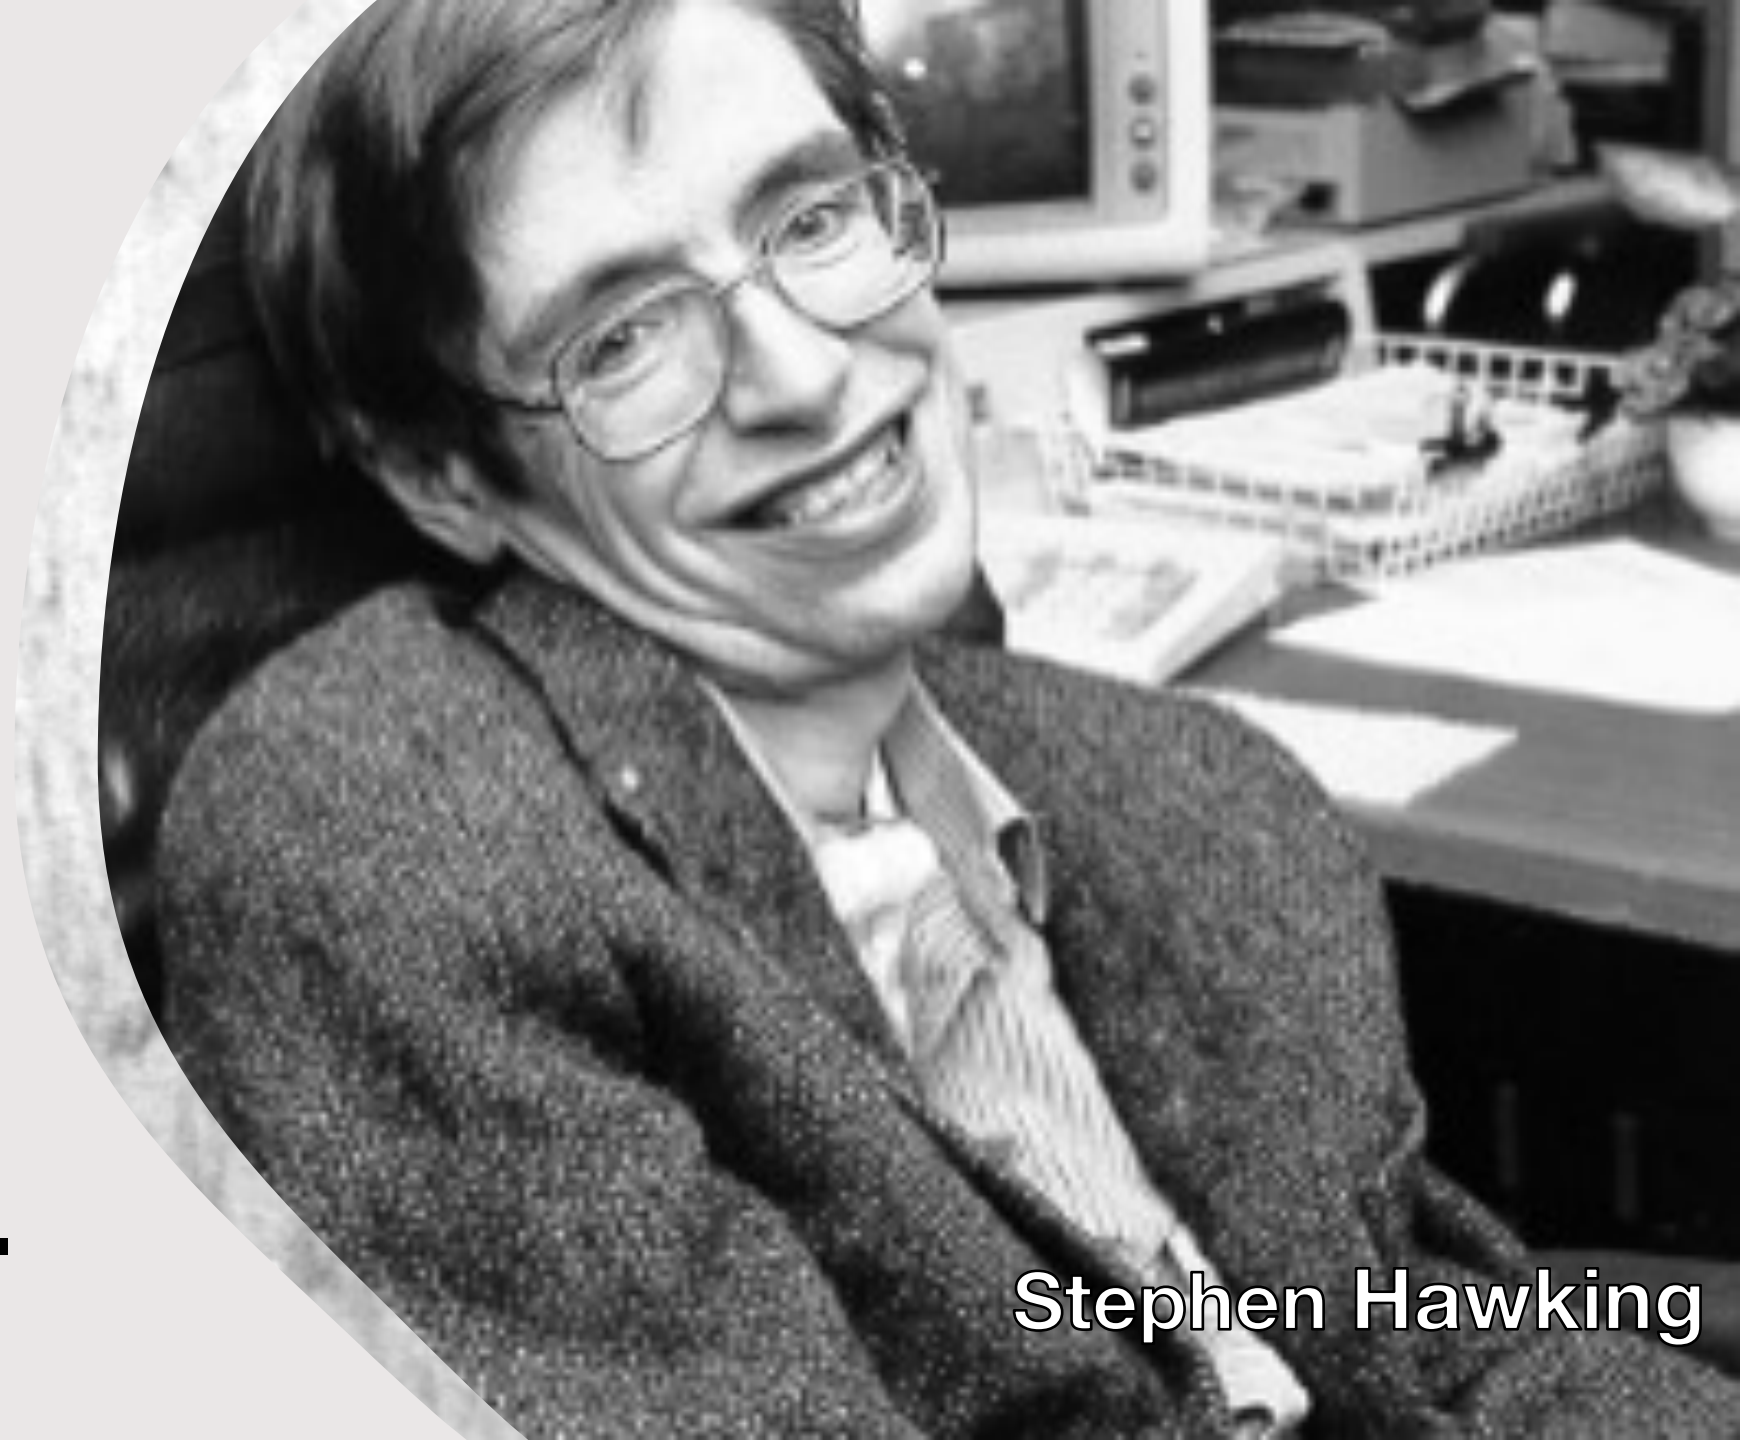

**Charles Darwin**

**Born a **slave**, she was **poor** and led countless enslaved individuals to freedom through the Underground Railroad; without her, you wouldn't have seen the liberation of many.**

**Harriet Tubman**

**He was  
paraplegic and  
contributed to  
theoretical  
physics and  
cosmology;  
without him,  
you wouldn't  
have our  
understanding  
of the universe.**

**Stephen Hawking**

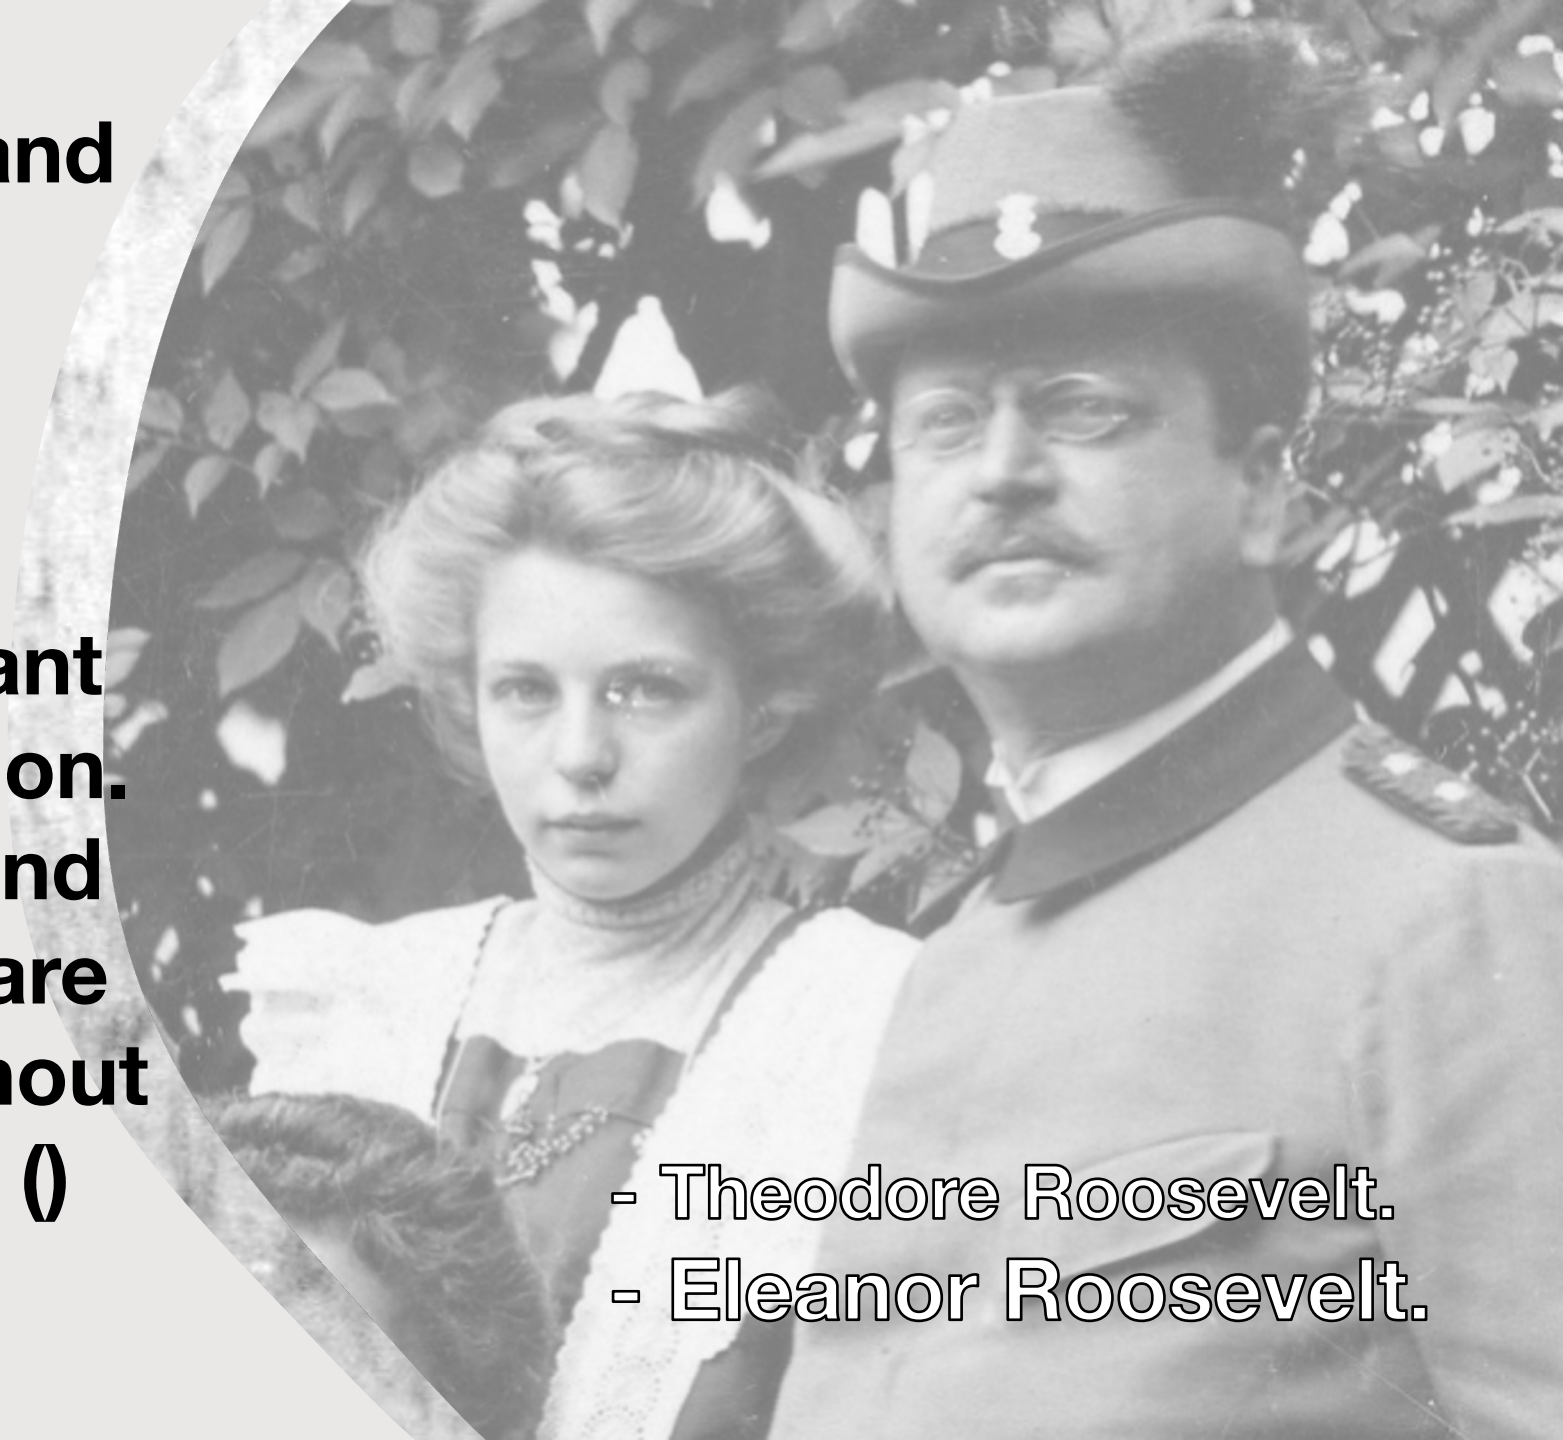

**She was **young**  
and started a  
global  
movement for  
girls'  
education;  
without her,  
the world  
wouldn't have  
progress in  
this area.**

**Malala Yousafzai**

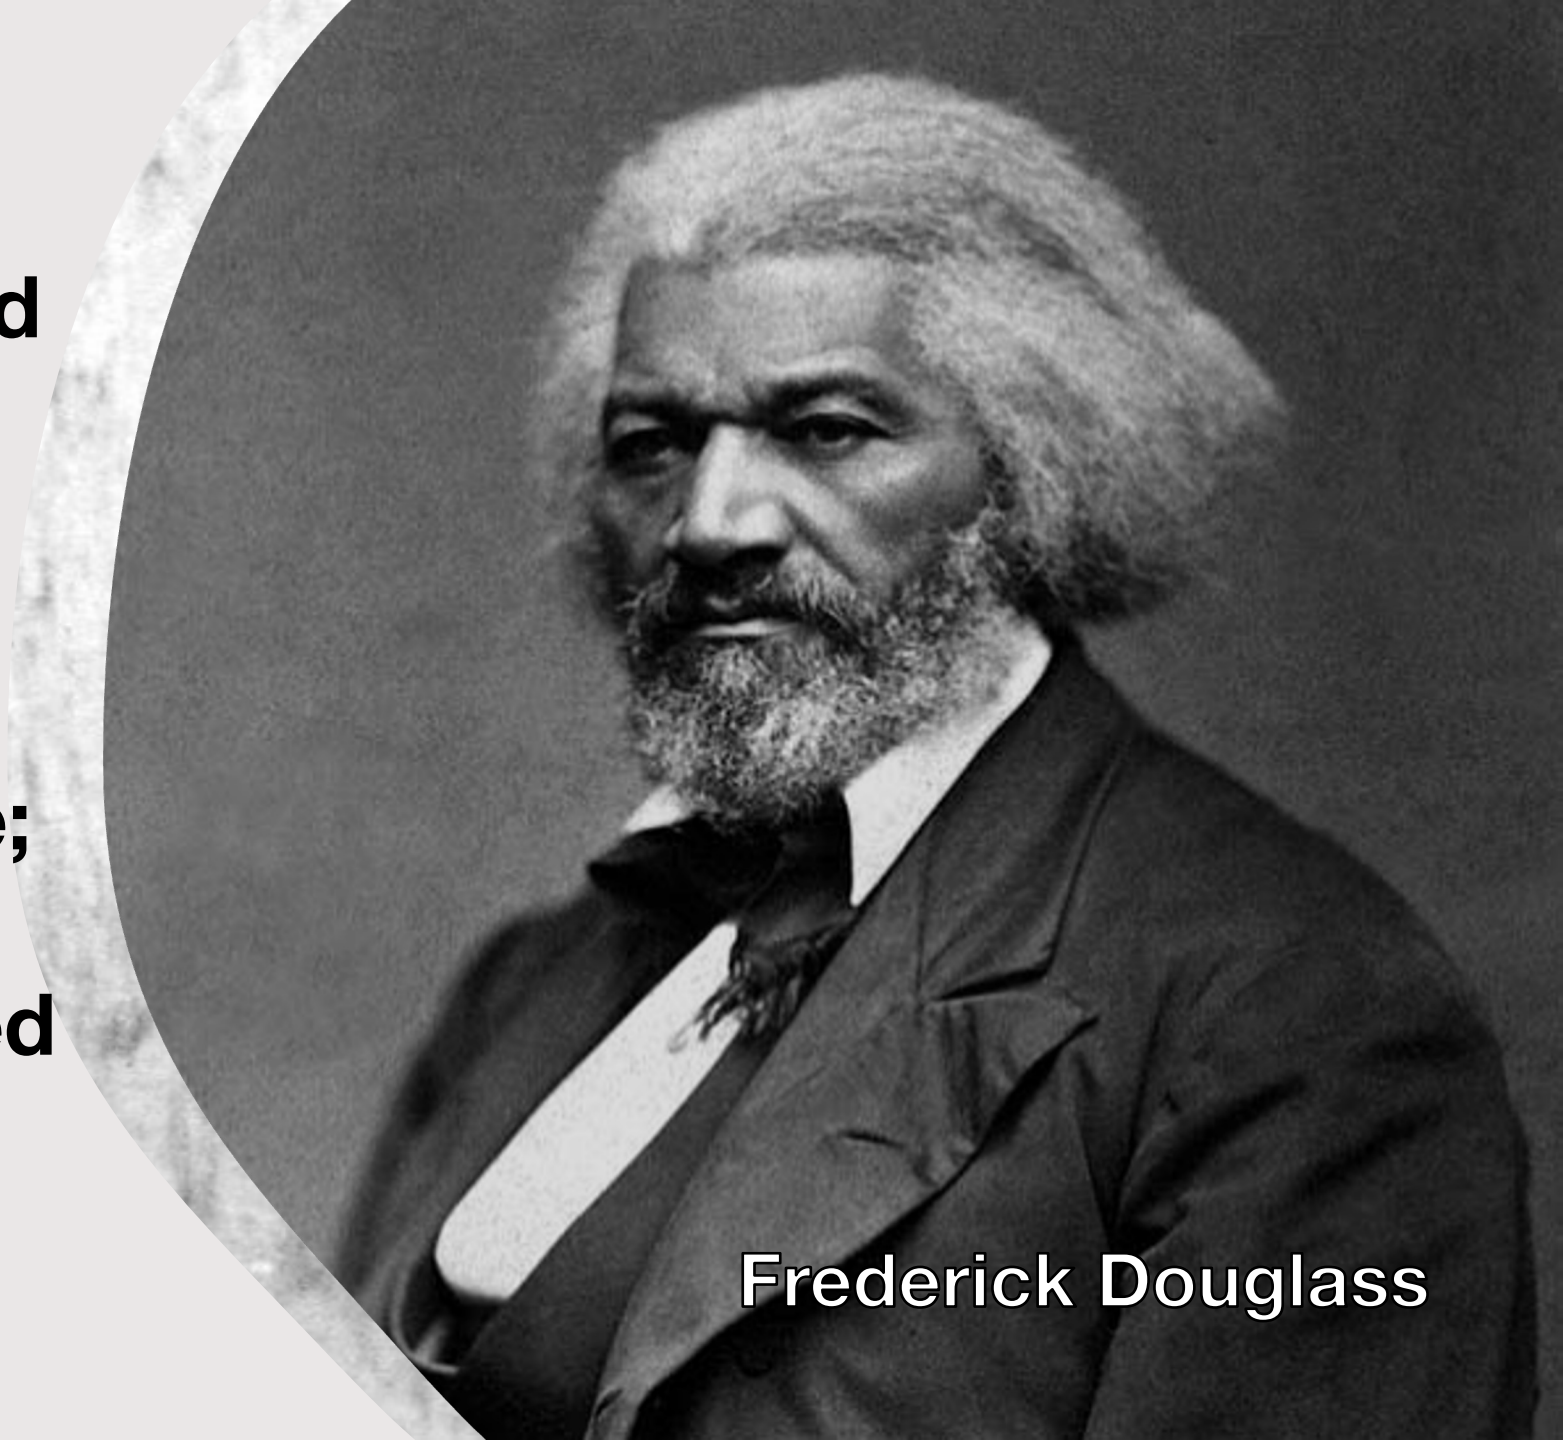

He was a **Republican** and advocated for environmental conservation; without him, you wouldn't probably have significant environmental protection. She was a **Democrat** and pushed for social welfare and human rights; without her, you wouldn't have () social justice.

- Theodore Roosevelt.
- Eleanor Roosevelt.

He **wasn't schooled** and taught himself to read and write, and after **escaping slavery** promoted literacy and education for all for life; without him, you wouldn't have increased access to education.

Frederick Douglass

He was **Latino** and made significant contributions to civil rights activism; without him, you wouldn't probably have the rich diversity in social justice you enjoy today.

Cesar Chavez

**In the age of **AI**, the battle against bias continues. Whether you're a developer, user, or decision-maker, **prioritize fairness and inclusivity.** Seek diverse perspectives, correct biases, and champion transparency. By doing so, you honor the legacy of those who fought bias and **build a more equitable technological future for all.****

**YOU ARE IMMUNE TO BIAS,  
PROMOTING A PRESENT  
BY ALL IS ENSURING A  
FUTURE FOR ALL.**

**EMBRACE  
INCLUSION!**
